

Investigation 调查取证

2011 GP Shanghai
2011年上海大奖赛

What is an investigation?

什么是调查取证？

Judges normally use investigation to find out if any of the involved players will be DQed from the tournament.

裁判们通常用调查取证来决定是否要将调查对象从比赛中取消资格。

It's the key difference between a potential DQ and a normal judge call.

这是一个可能出现DQ和普通叫裁判情况的关键不同。

Signs to start an investigation

察觉需要开始调查取证的迹象

- Different answers
- Direction of sight
- Way to answer
- Not talking about details
- 回答的不同
- 视线的方向
- 回答的方式
- 不讲细节

Important! 重要!

Those are just signs, it doesn't mean they are cheating; Investigation also doesn't always lead to a DQ. Sometimes it's just miscommunication.

这些只是开始调查取证的迹象，而不代表有人在作弊；不是每次调查取证都要有人被取消资格。有时仅仅是交流失误。

Goals during investigations

调查取证的目的

- Explanation on direct proofs
- You don't need to proof your decisions
- Find out reasons on contradiction
- Gather information to help you on decisions
- You don't need to be 100% confidant
- 对于直接证据的解释
- 你不要证明你的决定
- 寻找矛盾的原因
- 收集做决定需要的信息
- 你不需要100%确定你所做出的决定

How to do it?

如何做到?

- No argument, one at a time
- Split up the people
- Repeat the same question
- Ask for details
- Tell them what you think, give them a chance to explain
- Think: what is the player doing, and what he did
- Other information
- 不要争论，一个一个说
- 分开他们
- 重复问相同的问题
- 询问细节
- 告诉他们你的想法，给他们机会解释
- 思考：牌手现在在做什么，以及做了什么
- 其它信息

What to keep in mind? 需要注意什么？

- Time!
- Sometimes you have to make tournament continue even spent time
- Not all disagreements lead to DQ
- Keep spectators away
- No public discussions
- 时间！
- 有时即使已经浪费了大量时间，依然需要让比赛继续
- 不是每次双方讲的不一样时都会有人被取消资格
- 让旁观的人离开
- 不要公开谈论

More important works

更重要的工作

- Player education: why this is bad
- Make sure the player understand your decision
- Spend extra time if needed, without delay the tournament
- 牌手教育：为什么这样做是错误的
- 确定牌手理解你的决定
- 在不延误比赛的前提下，如果需要则应该多花时间
